Consent

to the License Agreement - Offer (Public)

dated 21 October 2026

In accordance with paragraph 2.2. of the License Agreement - Offer dated _____ 2026, the following actions by the Licensor constitute full and unconditional acceptance of the Licensee's offer:

- completing this consent;

- sending the relevant RIAs (scientific articles) to the Licensee's email address or through the article upload service on the website of scientific journals in accordance with the terms of the Agreement.

If RIAs (scientific articles) are created by multiple authors (co-authors), each co-author must complete the consent form in paragraph 1.

If RIAs (scientific articles) are created by a single author, paragraph 2 of the consent form is not required.

1. RIAs (scientific articles) were created in collaboration - yes/no _____ (please specify)
